Kathleen Hudson Rivers Scholarship Application Form

Kathleen Rivers created this endowed scholarship because of her belief in the intrinsic value of studying abroad and the importance of learning languages from native speakers. The Rivers Scholarship will be awarded to students taking French or Italian for study in France or Italy. **Candidates studying Italian will be selected this year (2017-2018).**

To be eligible, students must have completed at least four courses in one of these languages and apply for consideration through the Department of French, Francophone and Italian Studies. Students must study abroad in a College approved credit program and live with a family from that country.

Students awarded with this scholarship are required to submit 2 documents at the beginning of the semester following their travel: a budget showing how funds were expended, including an itinerary of the journey, and journal entries highlighting their trip including a testimonial of how scholarship funds impacted their travels.

Applications must be submitted with 2 letters of recommendation from French faculty.
